

EXPORTERS & SUPPLIERS OF
MEDICAL EQUIPMENTS & CONSUMABLES

SAFE GLOBAL SERVICES LLP

One stop solution for all your hospital needs

Safe Global Services is a renowned name engaged in supplies and exports of quality medical equipments and consumable products.

We offer quality products meeting world standards as per guidelines issued by WHO.

Most of our products are CE and ISO 13485:2003 certified.

For us

Quality means not making compromises in the safety of products we deliver.

They should be failure-proof.

Affordability means not making compromises in the pricing of our products.

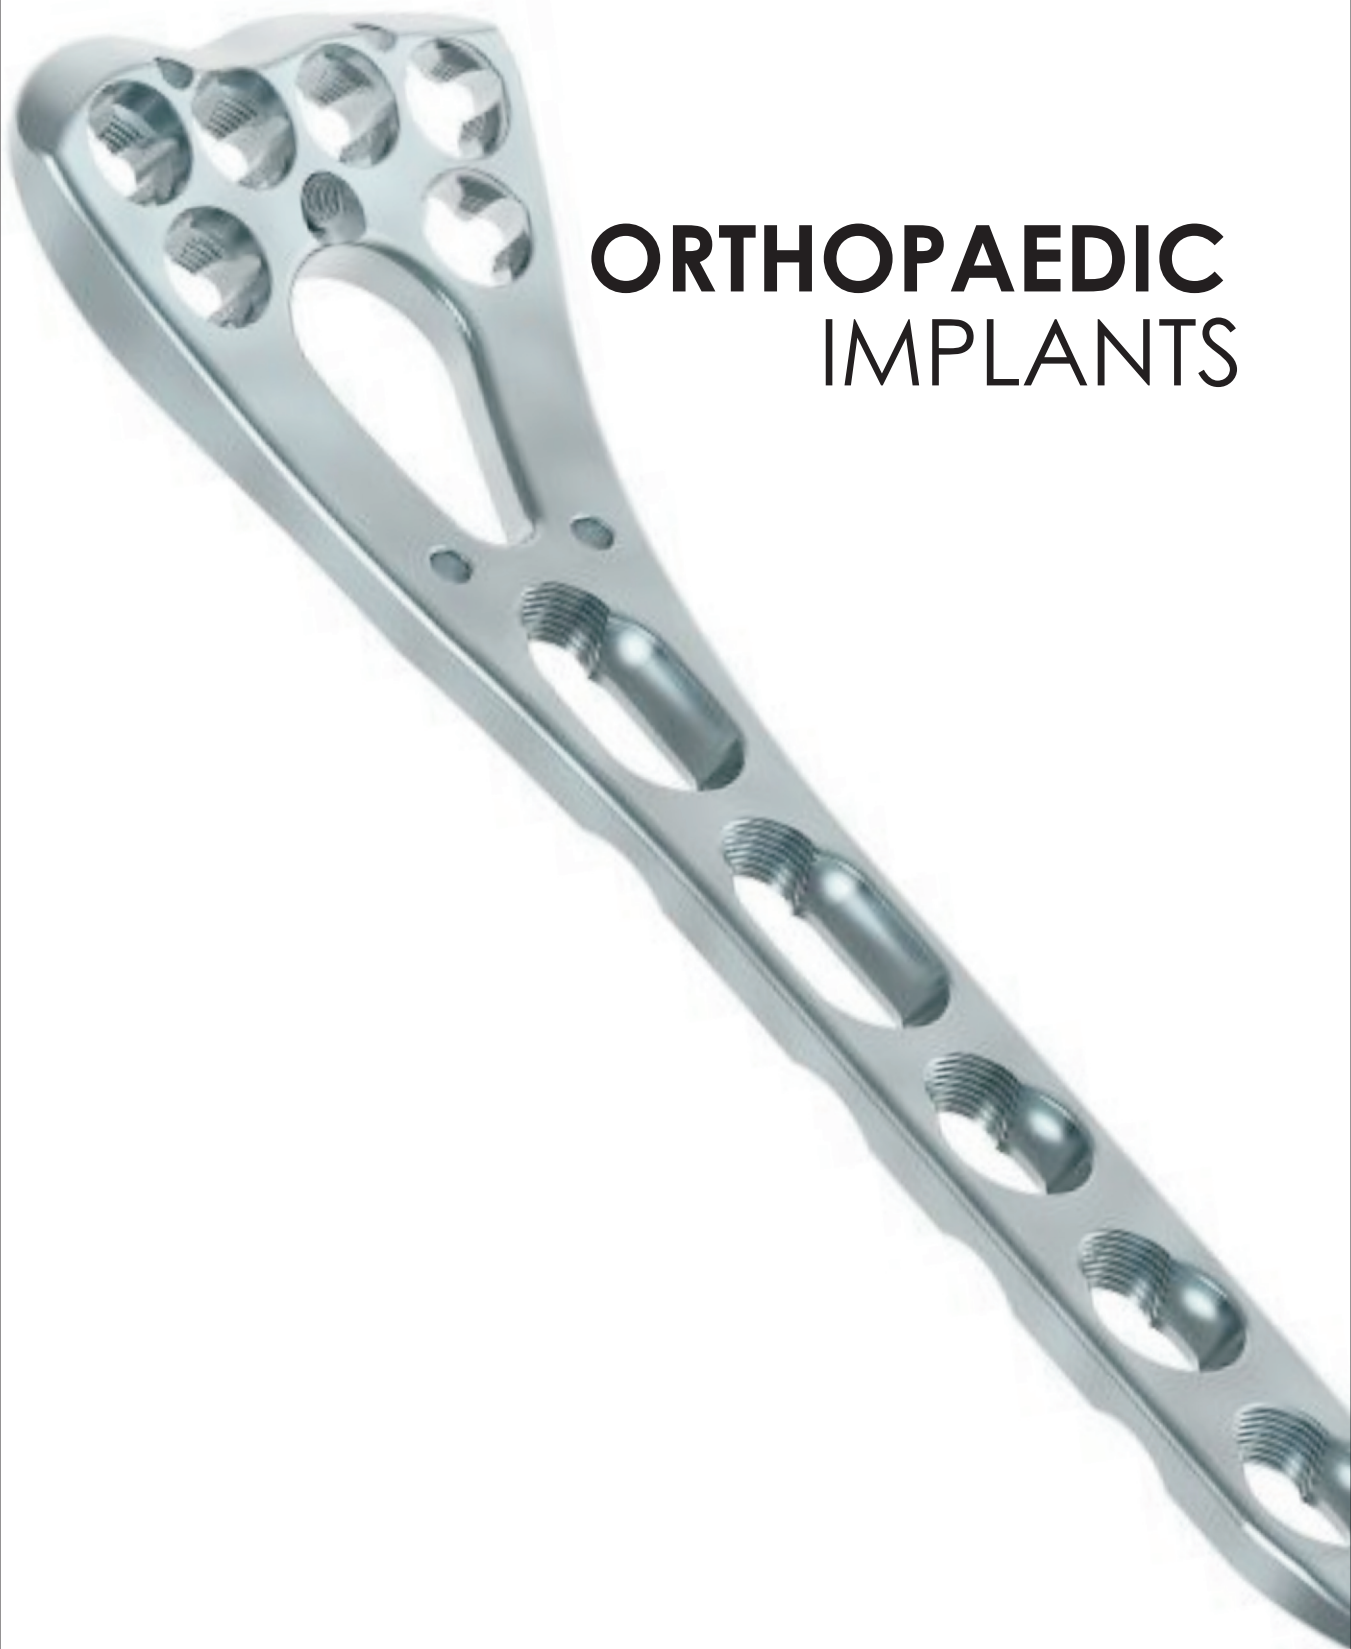

They should be well within everyone's reach.

Availability means not making compromises in the delivery of our products.

They should be delivered in time.

Safe Global has a dedicated and competent team with excellent resources for procurement of medical equipments and consumables for its domestic and international clients.

**Our aim is to become
your one stop solution for all your hospital needs.**
